

## HOUSING INFORMATION

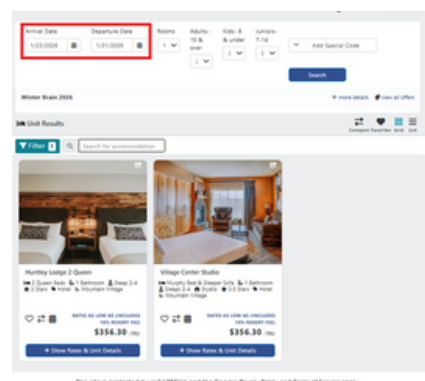

### CUT-OFF DATE: TUESDAY, DECEMBER 23, 2025

Hotel accommodations can be booked at the Big Sky Resort. All conference events will take place at the Big Sky Resort. Click [HERE](#) to reserve your stay.

You may encounter a brief loading message or pop-up (image below) when accessing the link or updating your dates. This is part of the normal booking process—please allow a few moments for the system to display available accommodations.

Please note, limited room types will appear at first access. Please adjust your check-in and check-out dates using the calendar at the top of the page to be able to see true availability. Some room types only appear for specific date ranges, so changing the dates will reveal additional availability.

Once dates are adjusted, additional room types that are available within your booking window will appear. If you need accommodations outside of the dates available, or a room type is not available for your full desired length of stay, please reach out to the resort by calling (800) 548-4486.

The Winter Brain discounted room rate is only guaranteed with the property on the dates available within the tool. You can determine the room rate that the resort will be offering on any dates outside of those booked on this site by also calling the number above if you are intending to have your stay precede or succeed the conference's officially contracted dates.

Please [click here](#) for more information on the available room types and for booking details.

Should you have any questions, please contact the Executive Office at [info@winterbrain.org](mailto:info@winterbrain.org) or call 615-324-2365.
