

2027 Winter Conference on Brain Research Pioneer Nomination Instructions

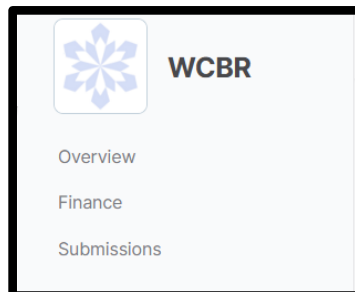

Submission Deadline: June 25, 2026

To submit your proposal, please follow the instructions below:

- Visit the 2027 Submission Portal: <https://hub.winterbrain.org/login>
- If you attended Winter Brain since 2016, your account is stored within our system. Log into your account using your email and password, or if you have forgotten your password, Select “Forgot Login? Click to recover!” to have a token link emailed to you.
- If you are new attendee or your email address is not recognized by the system, please create a new account.

Steps for Submission:

1. Once logged into the portal, click “Submissions” on the left menu.

2. Click “Start” next to the 2027 Winter Brain Pioneer Nomination.

3. Proceed with entering the name, affiliation, position, email, and appropriate contributions to both Science and Winter Brain, nominee’s publication record, institution profile URL (if available), and any additional notes, then click the “Complete” button at the bottom of the form.

Please email info@winterbrain.org or call 615-324-2365 with any questions.
See you at the 2027 Winter Brain in Breckenridge, CO!

Pioneer Nomination

Winter Brain is world-famous for drawing together pioneers in the field with up-and-coming junior scientists in a highly interactive environment. Starting in 2017 for the 50th Winter Brain, we acknowledged 8 Winter Brain Pioneers with awards and special scientific sessions that included the Pioneers along with junior scientists. The tradition has continued and for the conference in 2025, we plan to select 2 Winter Brain Pioneer Awardees. [Previous winners](#) are not eligible. We welcome nominations for the Winter Brain Pioneers, and encourage re-nomination of candidates who were not selected last year. Self nominations are permitted.

1. Pioneer Nominee Information *

Full Name *

Current Position *

Affiliation *

Email *

2. Contribution to Science *

Please provide a 100-300 word description of the nominee's contribution to science. You may provide a link to a biography or other suitable resource (maximum 500 characters).

- Once you have submitted, you will be directed back to the Submissions page, where you can view all submissions. If you need to make edits to a nomination that has been submitted, click on the “Edit” button.

Please email info@winterbrain.org or call 615-324-2365 with any questions.
